**COORDINATORS'
CORNER**

We are preparing for a very busy summer season. Our summer program continues through the schools, and we are working with 11 additional locations within the GWRSD where families are able to receive a food bag.

Thank you to Parade Committee members: John Brooks, Carol Simpson, Michelle Capone, Lindsey Kline, Maria Cousens, Joan Magrauth and Eileen Leavitt for the time and effort they have put in to planning our involvement in Wolfeboro's Independence Day Parade.

Thank you to the Annual Labor Day Raffle Committee of Donna Cullen, Peg Mongiello and Eileen Leavitt for gearing up for our raffle.

It Takes a Village

We thank our communities for the many ways they have supported our nonprofit organization. Thank you to Avery Insurance for the use of their front windows for advertising our upcoming events. We welcome the return of Hunters Shop and Save who have already offered us space to sell raffle tickets.

A Big Shout Out To

Jill Kennard, Ken Gilbert and Mimi Beudet, the Governor Wentworth School District bus drivers who delivered our food bags throughout the school year. We succeed because of their help.
