

End 68 Hours of Hunger

January 31, 2025

On behalf of the entire organization that is committed to Ending the 68 Hours of Hunger that is experienced by some schoolchildren during weekends, we would like to convey our gratitude for the dedicated service of Monte Bohanan who has served on our Board for over a decade.

Monte has been a very valuable member of our Board as we grew from humble origins to the organization we are part of today. He has helped guide us through the challenges of managing growth, dealing with organizational and leadership transitions, pivoting quickly when the Coronavirus pandemic hit, and being a constant source of valuable help when we needed marketing or management advice.

He has now decided to step down from his position on the Board, as he has transitioned to greater responsibilities with the City of Portsmouth.

We are sorry to see him go, but we recognize that it is time to let him go, and thank him for all he has done for our organization over the past decade.

We are grateful that he helped us transition to our new leadership, and guide us into the future with a solid and sustainable business structure.

We will miss you, Monte, but we know you will always carry the mission with you, and we wish you continued success in all your future plans.

In gratitude for your service,

Keith Launchbury
President of the Board

Kate Roman
Executive Director
